Royal Butterfly Family Card Game

Activity and illustrations by Ashley M. Owens.

Card back illustrated by

Jillian Spangler, Allison Smiley, and Sunnie Berning

Download the Activity Plan at
conservationtales.com/monarchs

Instructions

Try to match the photos and illustrations in your card set to make a complete life cycle for the three butterfly species.

(Monarch, Queen, and Viceroy)

Each set includes egg, caterpillar, chrysalis and adult. Record the card numbers of your sets on the Student Handout.
